

Bizrate® Circle of Excellence  
**Platinum 2017**

Marketing Guidelines

# Congratulations!

Welcome to the 2017 Bizrate® Circle of Excellence Platinum Award—a select group of online retailers recognized for their outstanding achievement in customer satisfaction.

Since 2000, Bizrate Insights has been recognizing online retailers who continuously obtain direct customer feedback and receive top ratings from

those customers. In essence, this award is from your own customers!

Given your significant achievements and Platinum distinction, we are providing you with the Bizrate Circle of Excellence Platinum Award, which can be displayed across your site, communications, marketing collateral and more! The following marketing kit provides some tips for use and guidelines for how to accurately represent this award.

# The Bizrate® Circle of Excellence Platinum 2017 Award

---

The Bizrate Circle of Excellence Platinum award is widely recognized as a symbol of trust and dedication to customer service. Only the top tier of retailers within the Bizrate Insights North American Retail Network earned the Platinum award.

You may use the award on your website, in electronic marketing materials, and in print. We provide a specific html code that can be easily incorporated in your digital promotions and high-resolution graphics for your print promotions.

## Digital Implementation

To easily and correctly display the award anywhere on your website, in emails, online ads, or online marketing materials, we offer an easy-to-grab code in 4 sizes that can be seamlessly included anywhere you wish the award to appear.

## Full Resolution Files

To include the Bizrate Circle of Excellence Platinum award in other collateral across a variety of media, we also provide you with high resolution files for: Web, Print, and Grayscale. Please choose the appropriate forms based on the medium you choose for the best results.

When used in a paragraph of copy, the first mention must be followed by a clear and legible registration ® notice. Thereafter, it is not necessary to use the ® on the same page.

# Marketing Tips for Circle of Excellence Platinum Award Winners

The Bizrate® Circle of Excellence Platinum Award is a great way to promote superior customer satisfaction and to give prospective buyers the confidence they seek to place an order. The Bizrate Circle of Excellence is an earned customer endorsement that can be used to boost conversion and to differentiate your site.

Here are a few ways that you can promote your Bizrate Circle of Excellence Platinum Award:

## On Your Site

Display the Bizrate Circle of Excellence Award on your homepage, all pages of your website, in the shopping cart and at checkout.

## In Your Emails

When sending out emails to your customers and prospective customers, be sure to include the award prominently. Let them know that you appreciate their feedback and that you shine at customer satisfaction.

## Through PR Outreach

Have your PR team implement our recommendations, which include a sample press release you can publish yourselves to promote your win.

## In Print Ads

Bizrate Circle of Excellence Award winners may include the award in their catalogs, print ads, business cards, or flyers.

## On Banner Ads

If you promote your site with banner advertising, you may include the Bizrate Circle of Excellence Award in your advertisement(s). Additionally, you can include your winner status in Google AdWords.

## Social Media

Create social media posts to promote your win and include your award in social cover photos and your company bio.

*All awards should be linked to a specially created award page on our site, Bizrate.com. The page allows your customers and prospective customers to verify your winning status. The code we provide for the award already does this.*

# Advertising & News Release Guidelines

---

The following description should be used when referring to the Bizrate® Circle of Excellence:

The Bizrate Circle of Excellence recognizes those online retailers within the Bizrate Insights North America Network who have demonstrated outstanding performance, as rated by their customers, throughout a one year period. In 2017, over 3,500 online retailers in North America were considered for the award. Winners continuously obtained feedback from their customers throughout the award year and received ratings that are statistically significantly above the Bizrate Insights North America Network average. The ratings are from direct feedback, collected at the point-of-sale and after the delivery of goods, from customers concerning eight key satisfaction indicators:

## Point-of-Sale Metrics

- ▶ Overall Satisfaction
- ▶ Product Selection
- ▶ Check out
- ▶ Ease of Finding Products

## Post-Order-Fulfillment Metrics

- ▶ Repurchase Intent
- ▶ Product Met Expectations
- ▶ On-time Delivery
- ▶ Customer Support

*Recognized, earned, and awarded are the standard verbs for use with claims to the Bizrate Circle of Excellence. Named, raise, voted, judged, elected, etc. may not be used.*
